

THE RICHARD AND HELEN DEVOS
CENTER FOR ARTS AND WORSHIP

2020 - 2021 SEASON

All previously scheduled in-person events are suspended until further notice due to COVID-19. Our top priority continues to be the health and well-being of our guests, performers, stagehands, ushers, and staff. We continue to follow health and safety guidelines set forth by local, state, and federal health officials and are committed to re-opening as soon as conditions permit us to do so.

In the meantime, some events will be available for viewing via livestream or OnDemand. Details regarding these events will be posted on our website and updated as information becomes available.
